Dear EJ,

We are pleased to inform you that Kensington Research and Recovery has been nominated for the 2009 Illinois Family Business of the Year Awards.

These awards honor the positive and often under-appreciated contributions of family-owned businesses to our communities. Awards are given in five categories: Small Business (fewer than 50 employees), Medium Business (50-250 employees), Large Business (more than 250 employees), Community Service and Century Award. Winning a Family Business of the Year Award provides you with:

- The honor and prestige of winning a well-respected Illinois business award
- Valuable statewide publicity and year-long marketing advantages
- Prime networking opportunities at the Nominees' Reception and Awards Gala

For suggestions or advice on how to complete your Application Form, we suggest you participate in one of our scheduled conference calls on **Wednesday, July 15 at 1:00 p.m.** or **Monday, July 27 at 10:00 a.m.** Please call (866)-249-6277 and use the access code: 3129156490.

We sincerely hope that you will take the time to complete and mail in the enclosed application. Should you have any questions, please call Caroline at (312) 915-6490.
